

Speaker1: [00:00:00] How was the preparation for this Solheim Cup? Who did he go with? Did you work with anyone? Something special? Any anecdotes? And ultimately, what is the secret of this Carlota Ciganda?

Carlota Ciganda: [00:00:16] Well, I think that when you play as a team it motivates you more. We are used to playing alone and defending Europe motivates me a lot. Play for the captain, for the entire team. The truth is that it is an extra motivation. And being in Spain, it motivated me even more, in front of my people, my family. The truth is that it was something very special, which obviously I don't think will happen anymore. That's why I wanted to enjoy the moment. The first hole, everything, everything, everything that has been this week has been incredible that I will never forget it and I think almost a little. The vice-captains have also done a great job, they have been my idols, so playing for them is an honor and you always want to play well and show that you can be there.

Speaker3: [00:01:11] What feelings did you have on that last hole? How have you experienced it? What have your colleagues told you about the Finca Cortesín facilities?

Carlota Ciganda: [00:01:29]

Speaker3: [00:01:31]

Carlota Ciganda: [00:01:40] They have been delighted to play here. They all really like Spain. The hotel is incredible and so is the countryside. Finca Cortesín has taken great care of us, it is a spectacular place, and the weather has been very good so everything has gone very well. As for the last putt, honestly, I don't remember much of what happened, I made it and then I think I threw the putt and hugged Álvaro (Carlota's caddy). It has been incredible and it is a week that I will never forget.

Speaker5: [00:02:21] Congratulations. You said that you didn't remember well the moment of the putt. So I wanted to ask you about the moment in which you found out

that the decisive point was in your hands. How did this news reach you and how have you received it internally?

Carlota Ciganda: [00:02:36] Suzann told me, that my match was enough to tie and the truth is that I was very excited. My match was incredible, the blow I gave, but in the end the important thing is that we won. This has been thanks to the efforts of the entire team.

Moderator: [00:03:09] Yes, a year ago they told you that you were going to have this performance at Solheim, that you were going to win the four games you were going to play. Would you have believed it?

Carlota Ciganda: [00:03:30] The only thing I thought was that I wanted to be here and that I was going to do anything to be here. Then, winning the four points is not easy because the Americans are very good. It is not easy to win them, as I say, very happy to win those four points, especially for Europe to win. The truth is that I don't have many words to describe it at the moment.

Speaker1: [00:04:09] Have you remembered anyone in particular when you made that important putt?

[00:04:09]

Carlota Ciganda: [00:04:18] In moments like these you remember all the people you love, my family, my coach and in general all the people who support you and help you be who you are. They have also made this happen and I will always be grateful.
